Big Idea: Be Prepared to Share Jesus!

Bible Story: Jesus' Ascension to Heaven

Memory Verse: "Give all your worries and cares to God, for he cares about you." 1 Peter 5:7

This craft helps the children remember and retell the story of Jesus' ascension!

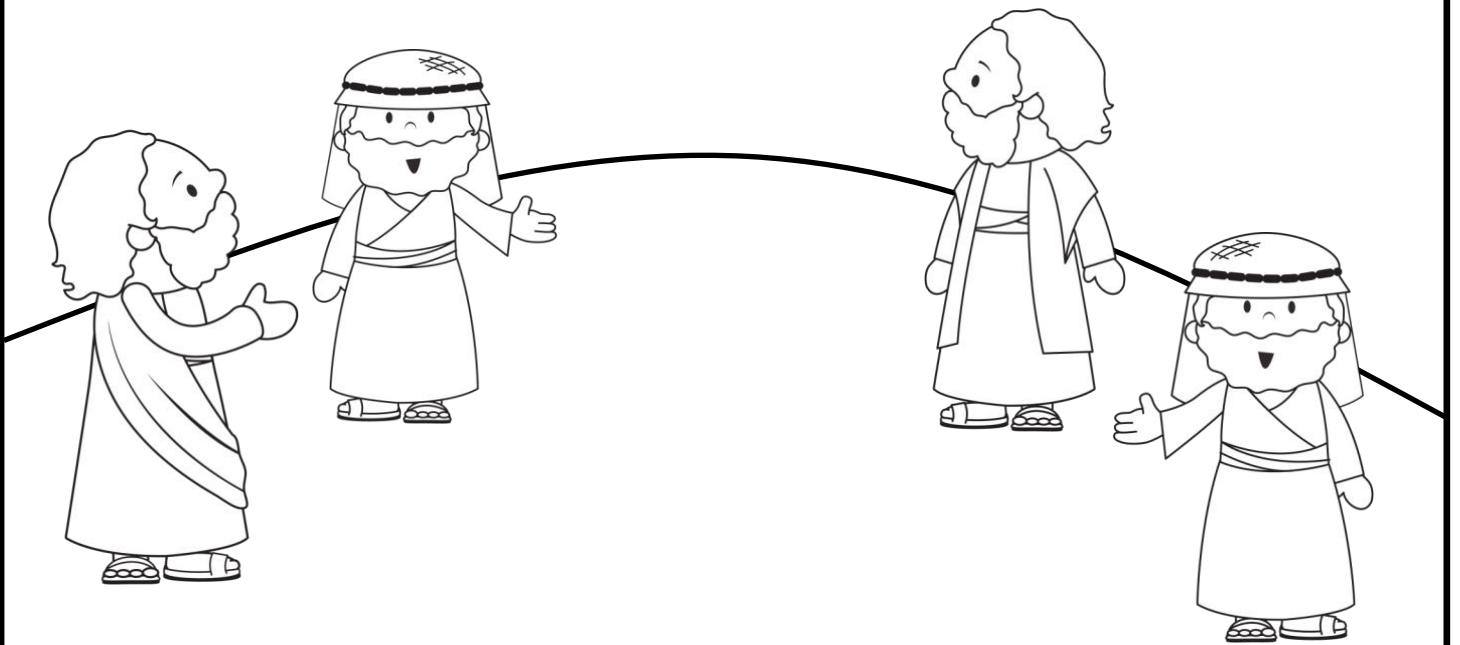

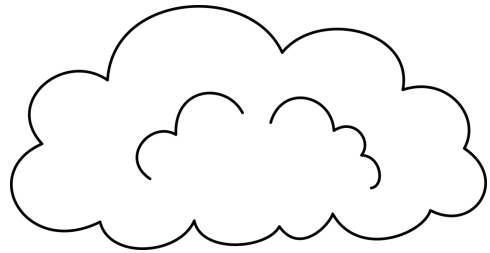

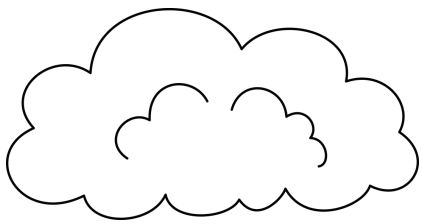

Supplies:

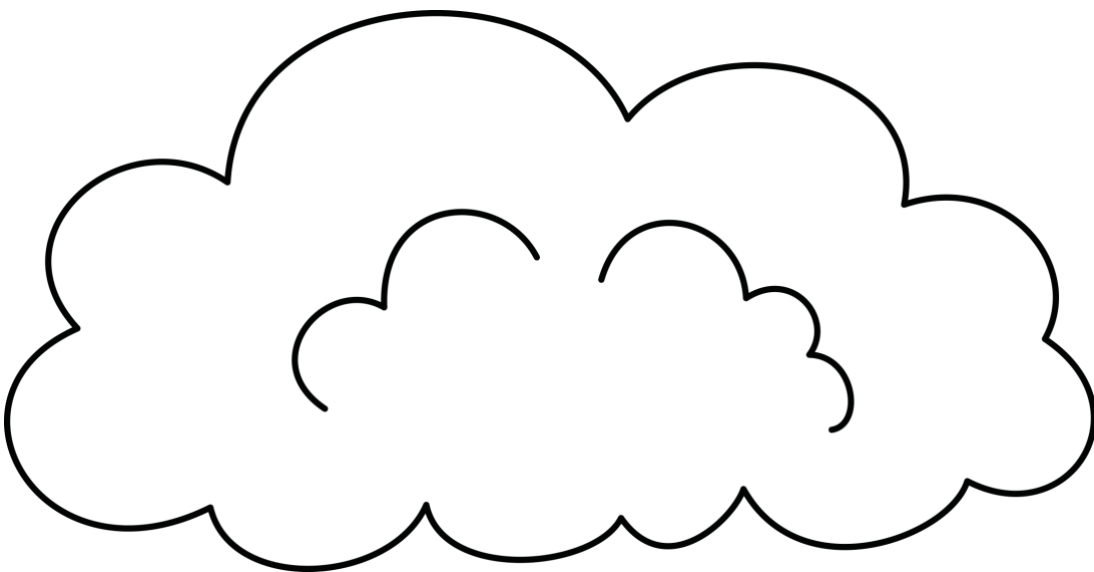

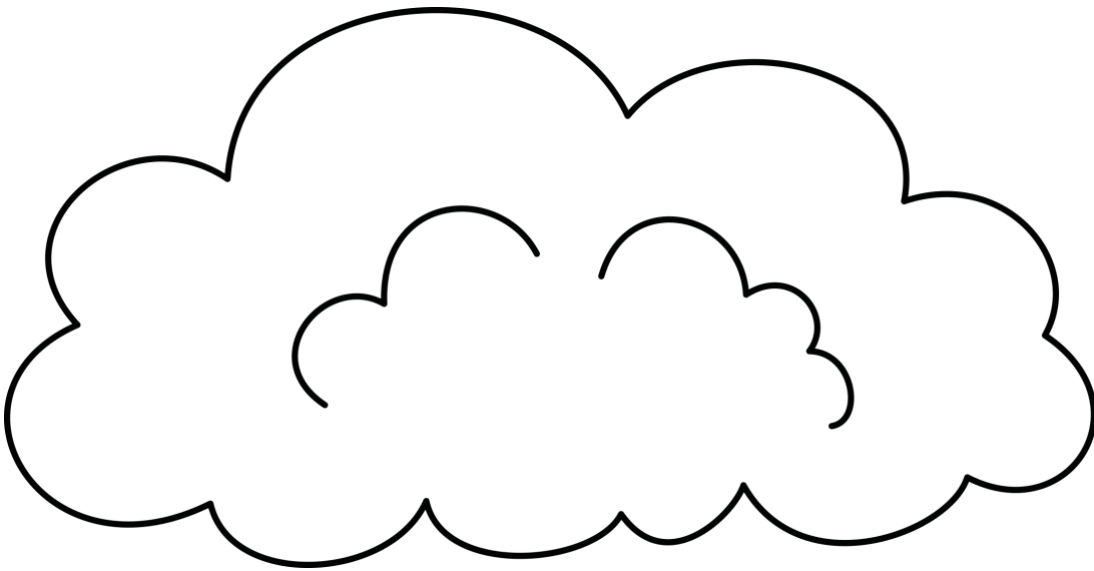

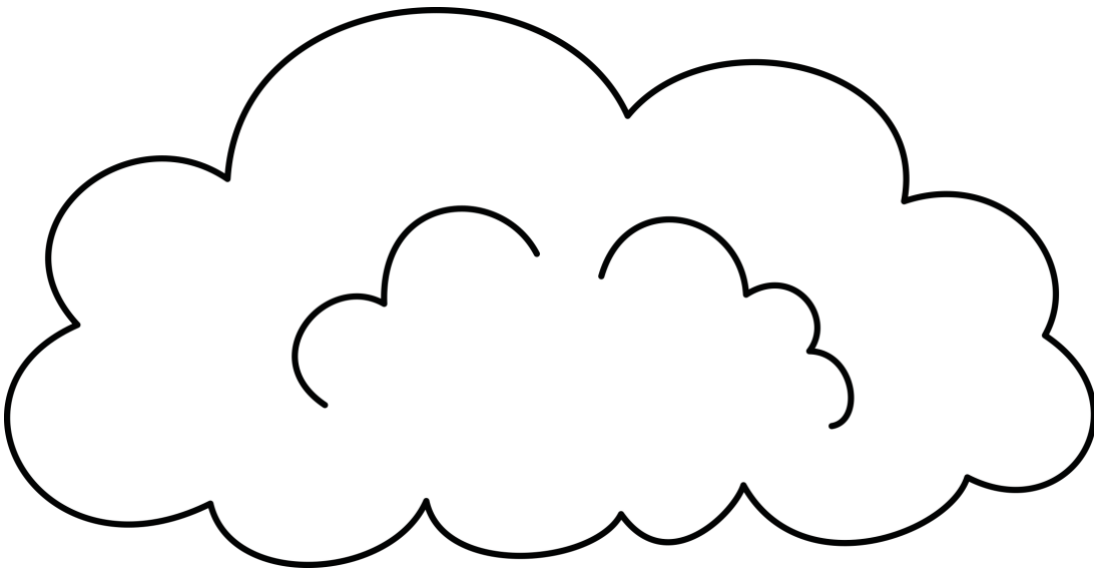

- The Printouts (Cardstock is better for its durability, but any paper will work!)
- Scissors
- Tape
- Yarn (or any type of string)
- Hole-punch (the tip of a pen works too)
- Cotton Balls (tissue paper or toilet paper squares work too)
- Glue
- Crayons

Instructions:

1. Cut out the clouds and the pictures of Jesus from the second page.
2. Punch a hole in the designated spots at the top and the bottom of the first page.
3. Have your kiddos color the first page, and glue cotton balls to the cloud cutouts!
4. Once they are done coloring, thread a piece of yarn or string through the two holes. You will tie the string off *on the back of the page*.
5. Tape your Jesus cutouts to the string
6. Glue the cloud cutouts near the top of the page, over the string. Make sure to only put glue on the sides of the cloud so that the Jesus cutout can be slid under the cloud.

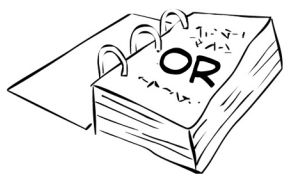

Once completed, your kiddos should be able to pull the string in the back to move Jesus from standing on the ground with His disciples up to Heaven in a cloud!
